“The most important single ingredient in the formula of success is knowing how to get along with people.” Theodore Roosevelt

Technical skills will take a person or a company only so far. The “people side” of the equation makes the real difference, when it comes to individual and organizational success.

The Peoplemap™ System has been successful in a variety of industries, and for areas such as: sales, communication, conflict resolution, customer service, management & leadership. This system helps individuals and organizations, maximize success, personally and professionally.

With The Peoplemap™ Workshop Participants Will:

- Identify their core personality and backup personality.
- Gain insight into self & others.
- Identify inborn strengths that boost success.
- Discover inborn Achilles heels that block success.
- Become more tolerant of others.
- Communicate more effectively with anyone, anywhere.
- Experience less workplace conflict.
- Enhance personal productivity and achieve greater success.

“The prevailing source of conflict in relationships, at home and at work, is primarily personality differences.”

Dr. James Hollis
